**Roles & Responsibilities:** Our StarSkate and program has quickly grown over last few years. Currently we have about 14 Star Skaters testing and competing with only 1 Coach. And another 10 Rising Star skaters in our Intro to figure skating program. So we would like to hire another coach to have additional private lesson times available to our skaters. This would be a great opportunity for a newly certified coach that would enjoy working alongside and learning from our experienced Level 3 coach. Therefore, we would consider "In Training" status for the right individual.

Other duties include: Lesson preparation & Report card management with our Canskate program 2 / week.

We are looking into the possibility of offering a CanPowerSkate program and expanding our Rising Star program the upcoming season. So there may be opportunity to increase our coaching hours and ice time.

Please list which days and times you would be able to committ to, as we try to be as flexible as possible.

With 1 full time coach already, we have the ability to be flexible to busy schedules, so please don't hesitate to call us to discuss options.
