

Memo

To: 2015 Competition LOC Chairs, 2015 Chief Referees, Coaches
From: Megan Svistovski, Program Coordinator
Date: 12/11/2014
Re: **Clarification of Qualification for 2015 STARSkate Provincial Championships**

The qualification requirement for entry to the 2015 STARSkate Provincial Championships was incorrectly stated in the Competition Announcement.

As stated in announcement:

Skaters must register in the same event that was competed at his or her Regional Championship.

Revised to:

Skaters must have competed in a Free Skate event at a 2015 Regional Championship to qualify for entry to the STARSkate Provincial Championships.

Rationale:

The STAR 1-5 Competition Structure allows and emphasizes movement throughout the STAR 1-5 events based on the skater's progress and ability throughout the season. As long as a skater participated at a 2015 Regional Championship in a Free Skate event, he or she may register in any Free Skate event at the 2015 STARSkate Provincial Championships.

As stated in announcement:

Pre-Juvenile and Juvenile skaters must have competed at 2015 Sectional Championships.

Revised to:

Skaters who skated Pre-Juvenile or Juvenile at the 2015 SCMB Sectional Championships also qualify to enter the 2015 STARSkate Provincial Championships.

Rationale:

This clarifies that it is the Skate Canada Manitoba Sectional Championships being referred to in the announcement.
