

Media Release

Manitoba Skating Clubs Host Qualification Events in Preparation for the Skate Canada Manitoba STARSkate Championship in March 2017

FOR IMMEDIATE RELEASE

WINNIPEG, MB. Jan 12, 2017 - The following Manitoba regional figure skating competitions will take place over the month of January/February. These competitions allow the skaters to qualify for the provincial STARSkate Championships which will be held in Virden, Manitoba on March 4th and 5th, 2017 at the Tundra Oil & Gas Place.

Hundreds of young figure skaters will compete at 6 regional competitions across the province. This provides our skaters the opportunity to test the skills they have been learning throughout the year. Each skater is judged on program skill and content. The following are the details related to the regions and the dates and locations of each of the regional competitions.

Come to see our young skaters in action!

Competition Schedules will be posted on our [website](#)
