

SKATE CANADA MANITOBA DRAFT COVID 19 - ILLNESS POLICY

Approved by: Skate Canada Manitoba Executive Committee

Approval date: June 16, 2020

Effective Date: June 16, 2020

In this policy, “Participant” includes an employee, coach, volunteer, skater, official or parent/spectator.

Inform an individual in a position of authority (coach, club administrator) immediately if, you feel any symptoms of COVID-19 such as fever, chills, cough, shortness of breath, sore throat and painful swallowing, stuffy or runny nose, loss of sense of smell, headache, muscle aches, fatigue and loss of appetite.

Assessment

- Participants must have a daily verbal screening for symptoms upon arrival at the entrance of the facility.
- Administrators/coaches will visually monitor participants to assess any early warning signs as to the status of their health and to touch base on how they are regarding their personal safety throughout the workday/practice/activity.
- If Participants are unsure please have them use the self-assessment tool <https://sharedhealthmb.ca/covid19/screening-tool/>.

If a Participant is feeling sick with COVID-19 symptoms

- They should remain at home and contact Health Links – Info Sante at 204-788-8200 or 1-888-315-9257 (toll-free).
- If they feel sick and /or are showing symptoms while at work/practice/activity, they should be sent home immediately and have them contact Health Links – Info Sante at 204-788-8200 or 1-888-315-9257 (toll-free) or a doctor for further guidance.
- No Participant may participate in a practice/activity if they are symptomatic.

If a Participant tests positive for COVID-19

- The Participant will not be permitted to return to the workplace/practice/facility until they are free of the COVID-19 virus as verified by a medical professional.
- Any Participants who work/practice closely with the infected participant will also be removed from the workplace/practice/facility for at least 14 days to ensure the infection does not spread further.

- Close off, clean and disinfect their work/practice/facility area immediately and any surfaces that could have potentially be infected/touched.
- If any participant tests positive, the club/skating school must inform the Manitoba Section Office of the test positive case by emailing skate.admin@sportmanitoba.ca

If a Participant has been tested and is waiting for the results of a COVID-19 Test

- As with the confirmed case, the Participant must be removed from the workplace/practice/facility.
- The Public Health Agency of Canada advises that any person who has even mild symptoms to stay home and call the public health authority of Manitoba.
- Other Participants who may have been exposed will be informed and removed from the workplace/practice/activity for at least 14 days or until the diagnosis of COVID-19 is ruled out by health authorities.
- The workspace/practice/activity space will be closed off, cleaned, and disinfected immediately and any other surfaces that could have potentially been infected/touched.

If a Participant has come in to contact with someone who is confirmed to have COVID-19

- Participants must advise their coach/club administrator if they reasonably believe they have been exposed to COVID-19.
- Once the contact is confirmed, the Participant will be removed from the workplace/practice/activity for at least 14 days or as otherwise directed by public health authorities. Participants who may have come into close contact with the Participant will also be removed from the workplace/practice/activity for at least 14 days.
- The workspace/activity area will be closed off, cleaned, and disinfected immediately and any other surfaces that could have potentially been infected/touched.
