

Skate Canada Manitoba Pandemic Response Chart

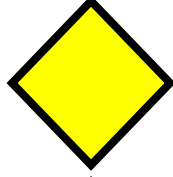

The Government of Manitoba recently released their Pandemic Response System which color codes 'zones' in the province according to risk level in COVID-19 cases and outbreaks.

Skate Canada Manitoba has adopted a response chart that aligns restrictions with the government's classification of zones.

To find out more about the Government of Manitoba's Pandemic Response System and the current level in your area please visit <https://www.gov.mb.ca/covid19/restartmb/prs/index.html>

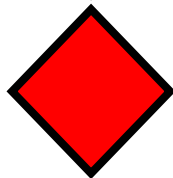

- If an area is Green, there are no restrictions in place and the requirements in the Return to Play Protocol will be suspended.

- If an area is Yellow, the current protocols in the SCMB Return to Play Protocols are in effect.

- If an area is Orange, the current protocols in the SCMB Return to Play Protocols are in effect, and there may be additional restrictions implemented to approved events such as Assessment Days.

- If an area is Red, all sanctions will be suspended until further notice.
