What are the top three (3) successes at your club?

- Unfortunately I cannot really answer this due to our extremely short season due to covid/subsequent facility shut down :(
- 
- 

What are the top three (3) challenges your club and/or athletes face?

- Club - covid restrictions resulted in cancelled programming and the shutdown of facilities
- Club - This year calculating refunds for pro rated amounts due to the cancellation of skating programming. Skaters/families often paid in numerous ways and some only made payments. It was quite the process calculating refunds.
