# GREETINGS FROM THE CHAIRPERSON, SKATE MANITOBA

On behalf of Skate Manitoba I would like to welcome you to the 2023 Skate Manitoba Pre-Novice Novice Sectional Championships and the inaugural Gordon Linney Open. A new year and new goals to achieve. For the skaters, we look forward to seeing your performances.

Performances that are a culmination of the hard work, commitment and dedication that you have put into the sport over the past weeks, months, or years. We are excited to see what you can do!

I wish all of you to have a great skate, create friendships and have fun this weekend.

Thank you to all the volunteers who worked tirelessly to ensure that both the Pre-Novice Novice Sectional Championships and Gordon Linney Open will provide the skaters, and their families, a rewarding experience. Without your dedication to the sport, none of this would be possible.

Enjoy the experience!

Diane Brine  
Chairperson  
Skate Canada Manitoba

# TREATY ACKNOWLEDGEMENT

We would like to begin by acknowledging that we are in Treaty 1 territory and that the land on which we gather is the traditional territory of Anishinaabe, Cree, Oji-Cree, Dakota, and Dene Peoples, and on the homeland of the Métis Nation.

As a skating community, we commit to moving forward in partnership with Indigenous communities in a spirit of collaboration and reconciliation.

# CAMERA POLICY

## Skate Canada Manitoba Standing Rules A.121; Governance; Camera Policy

Flash photography is not permitted while athletes are on the ice during practice or competition. Skate Canada Manitoba restricts the use of cameras and video equipment during Skate Canada sanctioned events out of respect for the safety and to protect the privacy of competing athletes.

Spectators are permitted to use cameras at the event for personal use only and are subject to the following conditions. Anyone who does not abide by these rules risks having their camera confiscated by authorized personnel.

- No flash photography is allowed
- Camera lens must not be larger than 200mm in order to avoid obstructing the view of other spectators
- Any resale of photography is strictly prohibited
- Any posting of photos on websites or social media is strictly prohibited unless skater's consent (parent or guardian if under 18) has been received.
- Video camera's can only be used by the parent(s) and coaches of their own skater during their performance

Coaches are only permitted to video tape their own skater from the boards during that skater's practice or performance. Coaches can not video tape from the spectator area.
