RE: Changes to competition fees effective December 18, 2022

---

As of December 18, 2022 the following changes to fees will occur for all competitions sanctioned within Manitoba:

- Sanction Fees:
  - \$700.00 for Section competitions
  - \$1000.00 for Non-Section Competitions (such as FunSkates)
    - Data Specialist, Audio and Video Replay fees are now included within the sanction fee. Fee remains the same regardless of the number of days the competition will be held for.
- Technology Fee:
  - \$7.00 per event, per participant will be collected.
    - Funkskates will remit these fees back to the Section within thirty (30) days of the conclusion of the event.
- Officials Development Fee (change came into effect October 2022):
  - \$3.00 per skater, per event will be collected
    - Funkskates will remit these fees back to the section within thirty (30) days of the conclusion of the event.

Payments for Technology and Officials Development Fees must be made to Skate Manitoba no later than thirty (30) days from conclusion of the competition. The following must be included with the payment (information can be emailed, or printed and mailed with payment):

- Date(s) of competition
- Club/School hosting competition
- Contact person full name, email and phone number
- List of all participants and events (first and last name, Club/School)

Payments can be made online through a paypal invoice. Please request one to be sent to you. Sanctions can be paid by [clicking here](#). Please note that sanctions must be paid before a non Section competition or event will be approved.

The Officials Development Fee goes to the development of officials in Manitoba.

The new Technology Fee will be utilized towards competition technology expenses (such as equipment) and competition technology resources (such as training/education/investing in technology).
