APPROVAL SEPTEMBER 23, 2017; AGM RATIFIED APRIL 28, 2018

“Organization” refers to: Skate Manitoba

Definitions

1. The following terms have these meanings in this Policy:
 - a. *“Conflict of Interest”* – Any situation in which a Representative’s decision-making, which should always be in the best interests of the Organization, is influenced or could be influenced by personal, family, financial, business, or other private interests
 - b. *“Pecuniary Interest”* - An interest that an individual may have in a matter because of the reasonable likelihood or expectation of financial gain or loss for that individual, or another person with whom that individual is associated
 - c. *“Non-Pecuniary Interest”* - An interest that an individual may have in a matter which may involve family relationships, friendships, volunteer positions or other interests that do not involve the potential for financial gain or loss
 - d. *“Representatives”* – Individuals employed by, or engaged in activities on behalf of, the Organization including: coaches, staff members, convenors, contract personnel, volunteers, managers, administrators, committee members, and Directors and Officers of the Organization

Background

2. Individuals who act on behalf of an organization have a duty first to that organization and second to any personal stake they have in the operations of the Organization. For example, in not-for-profit organizations, Directors are required, by law, to act as a trustee (in good faith, or in trust) of the Organization. Directors, and other stakeholders, must not put themselves in positions where making a decision on behalf of the Organization is connected to their own personal interests. That would be a conflict of interest situation.

Purpose

3. The Organization strives to reduce and eliminate nearly all instances of conflict of interest at the Organization – by being aware, prudent, and forthcoming about the potential conflicts. This Policy describes how Representatives will conduct themselves in matters relating to conflict of interest, and will clarify how Representatives shall make decisions in situations where conflict of interest may exist.
4. This Policy applies to all Representatives.

Obligations

5. Any real or perceived conflict of interest, whether pecuniary or non-pecuniary, between a Representative's personal interest and the interests of the Organization, shall always be resolved in favour of the Organization.
6. Representatives will not:
 - a. Engage in any business or transaction, or have a financial or other personal interest, that is incompatible with their official duties with the Organization, unless such business, transaction, or other interest is properly disclosed to the Organization and approved by the Organization
 - b. Knowingly place themselves in a position where they are under obligation to any person who might benefit from special consideration or who might seek preferential treatment
 - c. In the performance of their official duties, give preferential treatment to family members, friends, colleagues, or organizations in which their family members, friends, or colleagues have an interest, financial or otherwise
 - d. Derive personal benefit from information that they have acquired during the course of fulfilling their official duties with the Organization, if such information is confidential or not generally available to the public
 - e. Engage in any outside work, activity, or business or professional undertaking that conflicts or appears to conflict with their official duties as a representative of the Organization, or in which they have an advantage or appear to have an advantage on the basis of their association with the Organization
 - f. Without the permission of the Organization, use the Organization's property, equipment, supplies, or services for activities not associated with the performance of their official duties with the Organization
 - g. Place themselves in positions where they could, by virtue of being an Organization Representative, influence decisions or contracts from which they could derive any direct or indirect benefit
 - h. Accept any gift or favour that could be construed as being given in anticipation of, or in recognition for, any special consideration granted by virtue of being an Organization Representative

Disclosure of Conflict of Interest

7. On an annual basis, all the Organization's Directors and candidates for election to the Board, Directors, Officers, Employees, and Committee Members will complete a **Declaration Form** disclosing any real or perceived conflicts that they might have. Declaration Forms shall be retained by the Organization.
8. Immediately upon becoming aware that a conflict of interest may exist, all Representatives must disclose any real or perceived conflict of interest as follows:
 - a. Directors, Officers, Committee Members, candidates for election to the Board, and the senior staff person (when employed) must disclose real and perceived conflicts of interest to the Board
 - b. Employees must disclose real and perceived conflicts of interest to the senior staff person or, in the absence of a senior staff person position, to the Board
 - c. Coaches, volunteers, managers, and other Representatives must disclose real and perceived conflicts of interest to their immediate supervisor (e.g., team manager, staff person, other volunteer, etc., as applicable)

9. Representatives shall also disclose any and all affiliations with any and all other organizations involved with the same sport. These affiliations include any of the following roles: athlete, coach, manager, official, employee, volunteer, or Director.

Minimizing Conflicts of Interest in Decision-Making

10. Decisions or transactions that involve a conflict of interest that has been proactively disclosed by an Organization Representative will be considered and decided with the following additional provisions:
 - a. The nature and extent of the Representative's interest has been fully disclosed to the body that is considering or making the decision, and this disclosure is recorded or noted
 - b. The Representative does not participate in discussion on the matter
 - c. The Representative abstains from voting on the decision
 - d. For board-level decisions, the Representative does not count toward quorum
 - e. The decision is confirmed to be in the best interests of the Organization
11. For potential conflicts of interest involving employees, the Organization's Board will determine whether there is a conflict and, if one exists, the employee will resolve the conflict by ceasing the activity giving rise to the conflict. The Organization will not restrict employees from accepting other employment contracts or volunteer appointments provided these activities do not diminish the employee's ability to perform the work described in the employee's job agreement with the Organization or give rise to a conflict of interest.

Conflict of Interest Complaints

12. Any person who believes that a Representative may be in a conflict of interest situation should report the matter, in writing (or verbally if during a meeting of the Board or any committee), to the Organization's Board who will decide appropriate measures to eliminate the conflict. The Board may apply the following actions singly or in combination for real or perceived conflicts of interest, if conflict is determined:
 - a. Removal or temporary suspension of certain responsibilities or decision-making authority
 - b. Removal or temporary suspension from a designated position
 - c. Removal or temporary suspension from certain teams, events and/or activities
 - d. Expulsion from the Organization
 - e. Other actions as may be considered appropriate for the real or perceived conflict of interest
13. Any person who believes that a Representative has made a decision that was influenced by real or perceived conflict of interest may submit a complaint, in writing, to the Organization to be addressed under the Organization's *Discipline and Complaints Policy*.
14. Failure to comply with an action as determined by the Board will result in automatic suspension from the Organization until compliance occurs.
15. The Board may determine that an alleged real or perceived conflict of interest is of such seriousness as to warrant suspension of designated activities pending a meeting and a decision of the Board.

Conflict of Interest Form

I have read the Organization's *Conflict of Interest Policy*, I agree to be bound by the obligations contained therein, and I commit to avoid any real or perceived conflict of interest. I also commit to disclosing the existence of any real or perceived conflict of interest to the Board, as soon as it is known to me.

I declare the following interests which may represent a potential conflicting interest:

 - d. The Discipline Panel may request that any other individual participate and give evidence at the hearing
 - e. The Discipline Panel may allow as evidence at the hearing any oral evidence and document or thing relevant to the subject matter of the complaint, but may exclude such evidence that is unduly repetitious, and shall place such weight on the evidence as it deems appropriate
 - f. The decision will be by a majority vote of the Discipline Panel
22. If the Respondent acknowledges the facts of the incident, the Respondent may waive the hearing, in which case the Discipline Panel will determine the appropriate sanction. The Discipline Panel may still hold a hearing for the purpose of determining an appropriate sanction.
23. The hearing will proceed in any event, even if a Party chooses not to participate in the hearing.
24. If a decision may affect another party to the extent that the other party would have recourse to a complaint or an appeal in its own right, that party will become a Party to the current complaint and will be bound by the decision.
25. In fulfilling its duties, the Discipline Panel may obtain independent advice.

Decision

26. After hearing and/or reviewing the matter, the Discipline Panel will determine whether an infraction has occurred and, if so, the sanctions to be imposed. Within fourteen (14) days of the hearing's conclusion, the Discipline Panel's written decision, with reasons, will be distributed to all Parties, the Case Manager, and the Organization. In extraordinary circumstances, the Discipline Panel may first issue a verbal or summary decision soon after the hearing's conclusion, with the full written decision to be issued before the end of the fourteen (14) day period. The decision will be considered a matter of public record unless decided otherwise by the Discipline Panel.

 - b. The Respondent's prior history and any pattern of inappropriate behaviour or Maltreatment;
 - c. The ages of the individuals involved;

 - f. Real or perceived impact of the incident on the Complainant, sport organization or the sporting community;

- g. Circumstances specific to the Respondent being sanctioned (e.g. lack of appropriate knowledge or training regarding the requirements in the *Code of Conduct and Ethics*; addiction; disability; illness);
- h. Whether, given the facts and circumstances that have been established, continued participation in the sport community is appropriate;
- i. A Respondent who is in a position of trust, intimate contact or high-impact decision-making may face more serious sanctions; and/or
- j. Other mitigating and aggravating circumstances

28. Any sanction imposed must be proportionate and reasonable. However, progressive discipline is not required and a single incident of Maltreatment or other prohibited behaviour may justify elevated or combined sanctions.

29. The Discipline Panel may apply the following disciplinary sanctions, singularly or in combination:

- a. **Verbal or Written Warning** - A verbal reprimand or an official, written notice and formal admonition that a Participant has violated the *Code of Conduct and Ethics* and that more severe sanctions will result should the Participant be involved in other violations
- b. **Education** - The requirement that a Participant undertake specified educational or similar remedial measures to address the violation(s) of the *Code of Conduct and Ethics*
- c. **Probation** - Should any further violations of the *Code of Conduct and Ethics* occur during the probationary period, will result in additional disciplinary measures, likely including a period of suspension or permanent ineligibility. This sanction can also include loss of privileges or other conditions, restrictions, or requirements for a specified period of time
- d. **Suspension** - Suspension, either for a set time or until further notice, from participation, in any capacity, in any program, practice, activity, event, or competition sponsored by, organized by, or under the auspices of the Organization. A suspended Participant is eligible to return to participation, but reinstatement may be subject to certain restrictions or contingent upon the Participant satisfying specific conditions noted at the time of suspension
- e. **Eligibility Restrictions** - Restrictions or prohibitions from some types of participation but allowing participation in other capacities under strict conditions
- f. **Permanent Ineligibility** - Permanent ineligibility to participate in any capacity, in any program, activity, event, or competition sponsored by, organized by, or under the auspices of the Organization
- g. **Other Discretionary Sanctions** - Other sanctions may be imposed, including, but not limited to, other loss of privileges, no contact directives, a fine or a monetary payment to compensate for direct losses, or other restrictions or conditions as deemed necessary or appropriate

30. The Discipline Panel may apply the following presumptive sanctions which are presumed to be fair and appropriate for the listed Maltreatment:

- a. Sexual Maltreatment involving a Complainant who is a minor shall carry a presumptive sanction of permanent ineligibility;
- b. Sexual Maltreatment, Physical Maltreatment with contact, and Maltreatment related to interference or manipulation of process shall carry a presumptive sanction of either a period of suspension or eligibility restrictions.
- c. While a Respondent has pending charges or dispositions in violation of the criminal law, the presumptive sanction shall be a period of suspension

31. A Participant's conviction for a *Criminal Code* offense shall carry a presumptive sanction of permanent ineligibility from participating with the Organization. *Criminal Code* offences may include, but are not limited to:
- a. Any child pornography offences
 - b. Any sexual offences
 - c. Any offence of physical violence
 - d. Any offence of assault
 - e. Any offence involving trafficking of illegal drugs
32. Unless the Discipline Panel decides otherwise, any disciplinary sanctions will begin immediately, notwithstanding an appeal. Failure to comply with a sanction as determined by the Discipline Panel will result in an automatic suspension until such time as compliance occurs.
33. Infractions that result in discipline will be recorded and records will be maintained by the Organization.

Suspension Pending a Hearing

34. The Organization may determine that an alleged incident is of such seriousness as to warrant suspension of a Participant pending completion of a criminal process, the hearing, or a decision of the Discipline Panel.

Confidentiality

35. The discipline and complaints process is confidential and involves only the Parties, the Case Manager, the Discipline Panel, and any independent advisors to the Discipline Panel. Once initiated and until a decision is released, none of the Parties will disclose confidential information relating to the discipline or complaint to any person not involved in the proceedings.

Timelines

36. If the circumstances of the complaint are such that adhering to the timelines outlined by this Policy will not allow a timely resolution to the complaint, the Discipline Panel may direct that these timelines be revised.

Records and Distribution of Decisions

37. Other individuals or organizations, including but not limited to, national sport organizations, provincial sport organizations, sport clubs, etc., may be advised of any decisions rendered in accordance with this Policy.

A.106 GOVERNANCE; DISPUTE RESOLUTION POLICY

EFFECTIVE DATE:

APPROVED DATE:

Preamble

- Skate Canada Manitoba supports the principles of Alternative Dispute Resolution (ADR) and is committed to the techniques of negotiation, facilitation, mediation and arbitration as effective ways to resolve disputes with and among members, and to avoid the uncertainty, costs and other negative effects associated with litigation.

Scope

- This policy applies to disputes with and among members, where the term “Member” refers to all categories of members within Skate Canada Manitoba, as well as to all individuals engaged in activities with or employed by Skate Canada Manitoba, including but not limited to: athletes, coaches, officials, volunteers, directors, officers, team managers, team captains, medical and paramedical personnel, administrators and employees (including contract personnel).
- This policy does not apply to disputes relating to
 - Matters of employment;
 - Infractions for doping offences, which are dealt with pursuant to the Canadian Policy on Doping in Sport and the Canadian Doping Control Regulations;
 - Skate Canada Rules, which may not be appealed; and
 - Discipline matters arising during events organized by entities other than Skate Canada Manitoba, which are dealt with pursuant to the policies of these other entities.

Negotiation

- Skate Canada Manitoba encourages all Members to communicate openly and to collaborate in using problem-solving and negotiation techniques to resolve their differences. In almost all cases a negotiated settlement is preferable to any outcome achieved through other dispute resolution techniques and negotiated resolutions to disputes with and among Members are strongly encouraged.

Facilitation and Mediation

- Opportunities for facilitation and mediation may be pursued at any point in a dispute within Skate Canada Manitoba where it is appropriate and where the disputing parties agree that such a course of action would be mutually beneficial.
- Where mediation is pursued, it will be done so in accordance with standard mediation practice using trained mediators who are acceptable to the parties (at the expense of those parties involved – not Skate Canada Manitoba).

Appeals

- Appeals within Skate Canada Manitoba will be dealt with under the Skate Canada Manitoba Appeal Policy.

Arbitration

- In the event that a dispute persists after internal avenues of decision-making, negotiation, facilitation, mediation and/or appeals have been exhausted, opportunities for independent arbitration may be pursued by the parties (at the expense of both parties)

- Where such independent arbitration is pursued, it will be done so in accordance with standard arbitration practice using trained arbitrators who are acceptable to the parties
- The parties involved in a dispute may also mutually agree to bypass internal avenues of dispute resolution and may directly pursue opportunities for independent arbitration.
- Where a dispute is referred to arbitration, all parties to the original dispute will become parties to the arbitration.
- The parties to arbitration will enter into a written Arbitration Agreement that will specify that the decision of the arbitrator will be final and binding upon the parties and not subject to any further review by any court or any other body.

No Legal Action

- No action, application for judicial review or other legal proceeding will be commenced against Skate Canada Manitoba respecting a dispute, unless the remedies afforded by this policy have been exhausted.
-

- Failing to follow procedures as laid out in the bylaws or approved policies of Skate Canada Manitoba; or
- Making a decision that was influenced by bias

 - The Panel will be comprised of three individuals who will have no significant relationship with the affected parties, will have had no involvement with the decision being appealed, and will be free from any other actual or perceived bias or conflict
 - The Panel's members will select from themselves a Chairperson.

 - Format of the appeal (hearing by documentary evidence, oral hearing or a combination of both);
 - Timelines for exchange of documents;

- Clarification of issues in dispute;
 - Clarification of evidence to be presented to the Panel;
 - Order and procedure of hearing;
 - Identification of witnesses; and
 - Any other procedural matter which may assist in expediting the appeal proceedings

 - The Panel may direct that any other person participate in the appeal
- In order to keep costs to a reasonable level the Panel may conduct the appeal by means of a telephone conference.

 - All parties are given a reasonable opportunity to provide written submissions to the Panel, to review written submissions of the other parties, and to provide written rebuttal and argument
 - The applicable principles and timelines set out in Section 'Procedure for the Hearing' are respected.

Evidence that may be Considered

- As a general rule, the Panel will only consider evidence that was before the original decision-maker. At its discretion, the Panel may hear new evidence that is material and that was not available at the time of the original decision.

Appeal Decision

- Within 14 days of concluding the appeal, the Panel will issue its written decision, with reasons. In making its decision, the Panel will have no greater authority than that of the original decision-maker. The Panel may decide:
 - To reject the appeal and confirm the decision being appealed
 - To uphold the appeal and refer the matter back to the initial decision-maker for a new decision
 - To uphold the appeal and vary the decision where it is found that an error occurred and such an error cannot be corrected by the original decision-maker for reason of lack of clear procedure, lack of time, or lack of neutrality
 - To determine how costs of the appeal, excluding legal fees and legal disbursements of any of the parties, will be allocated, if at all
- A copy of this decision will be provided to each of the parties and to the Chairperson.
- In extraordinary circumstances, the Panel may issue a verbal decision or a summary written decision, with reasons to follow, provided the written decision with reasons is rendered within the timelines specified in Section

Timelines

- If the circumstances of the dispute are such that this policy will not allow a timely appeal, or if the circumstances of the disputes are such the appeal cannot be concluded within the timelines dictated in this policy, the Panel may direct that these timelines be revised.

Location

- The appeal will take place in the location designated by the Chairman, unless the Panel decides the appeal is to be held by way of telephone conference, or unless, at the specific request of a party, a different location is mandated by the Panel as a preliminary matter.

Final and Binding

- The decision of the Panel will be final and binding on the parties and on all members of Skate Canada Manitoba, subject only to the provisions of Skate Canada Manitoba's policies relating to Alternative Dispute Resolution.

B.102 ATHLETES COACHES OFFICIALS; SOCIAL MEDIA FOR COACHES AND ATHLETES

EFFECTIVE DATE: APRIL 2015

APPROVED DATE: APRIL 2015

REVISED DATE: MAY 9, 2020 – SCMB AGM

Definitions

- The following term has this meaning in these Guidelines:
 - “*Social media*” – The catch-all term that is applied broadly to new computer mediated communication media such as blogs, YouTube, Facebook, and Twitter

Purpose

- These Guidelines provide coaches and athletes with tips and suggestions for social media use. Coaches and athletes are strongly encouraged to develop their own strategy for social media use (either written down or not) and ensure that their strategy for social media use is acceptable pursuant to Skate Canada Professional Coaches *Code of Conduct and Ethics* and the Skate Canada Manitoba Athletes Code of Conduct and the Skate Canada Manitoba Code of Conduct
- Given the nature of social media as a continually developing communication sphere, Skate Canada Manitoba trusts its coaches and athletes to use their best judgment when interacting with social media.

These Guidelines are not hard and fast rules or behavioral laws; but rather ideas that will inform coaches' and athletes' best judgment.

Social Media Guidelines for Coaches

- The following tips should be used by coaches to inform their own strategy for social media use:
 - Choosing not to engage with social media is an acceptable social media strategy. But you must have good reasons for your choice and be active in other communication media
 - Despite what Facebook says, you are not actually “friends” with athletes. Resist commenting on athletes’ personal activities, status updates, or tweets on Twitter
 - Consider monitoring or being generally aware of athletes’ public social media behaviour to ensure compliance with Skate Canada Professional Coaches *Code of Conduct and Ethics* and the Skate Canada Manitoba Athletes Code of Conduct and the Skate Canada Manitoba Code of Conduct
 - Coaches may not demand access to an athlete’s private posts on Twitter or Facebook
 - Do not “friend” athletes on Facebook unless they request the connection. Never pressure athletes to “friend” you
 - If you accept some “friend” requests, or follow one athlete on Twitter, you should accept all friend requests and follow all the athletes. Be careful not to show favouritism on social media
 - Consider managing your social media so that athletes do not have the option to follow you on Twitter or “friend” you on Facebook
 - Seek permission from athletes before posting pictures or videos of the athletes on publicly available social media like a blog or on YouTube
 - Do not use social media to ‘trap’ athletes if they say one thing to you in person but their social media activity reveals they were doing something different
 - Keep selection decisions and other official team business off social media
 - Never require athletes to join Facebook, join a Facebook group, subscribe to a Twitter feed, or join a Facebook fan page about your team or organization
 - If you create a fan page on Facebook for your team or athlete, do not make this social media site the exclusive location for important information. Duplicate important information in more official channels (like on a website or via email)
 - Ensure that parents are aware that some coach-athlete interactions may take place on Facebook
 - Exercise appropriate discretion when using social media for your own personal communications (with friends, colleagues, and other athletes) with the knowledge that your behaviour may be used as a model by your athletes
 - Avoid association with Facebook groups or Twitter feeds with explicit sexual contact or viewpoints that might offend or compromise the coach athlete relationship
 - Never misrepresent yourself by using a fake name or fake profile
 - Be aware that you may acquire information about an athlete that imposes an obligation of disclosure on your part (such as seeing pictures of underage athletes drinking during a trip)
 - Attempt to make communication with athletes in social media as one sided as possible. Be available for athletes if they initiate contact via social media – athletes may wish to have this easy and quick access to you – but avoid imposing yourself into an athlete’s personal social media space unless explicitly requested to do so

Social Media Guidelines for Athletes

- The following tips should be used by athletes to inform their own strategy for social media use:
 - Set your privacy settings to restrict who can search for you and what private information other people can see
 - Coaches, teammates, officials, or opposing competitors may all add you to Facebook or follow you on Twitter. You are not required to follow anyone or be Facebook friends with anyone
 - If you feel harassed by someone in a social medium, report it to your coach, club official, or to Skate Canada Manitoba
 - Do not feel pressure to join a fan page on Facebook or follow a Twitter feed
 - Content posted on Twitter and Facebook, relative to your privacy settings, is considered public. In most cases, you do not have a reasonable expectation of privacy for any material that you post
 - Avoid posting pictures of, or alluding to, participation in illegal activity such as: speeding, physical assault, harassment, drinking alcohol (if underage), smoking devices such as vaporizers and e-cigarettes, and cannabis use.
 - Model appropriate behaviour in social media befitting your status as a) an elite athlete, and b) a member of your club and of Skate Canada Manitoba, As a Member of Skate Canada Manitoba, you have agreed to Skate Canada Manitoba's *Code of Conduct and Ethics* and must follow that Code when you post material and interact with other people through social media
 - Be aware that your public Facebook page or Twitter feed may be monitored by your club, coach, or by Skate Canada Manitoba and content or behaviour demonstrated in social media may be subject to sanction under Skate Canada Manitoba's *Discipline and Complaints Policy*

Club Responsibilities

- Clubs should not attempt to impose social media restrictions onto coaches or athletes. There are many situations where social media contact is desirable and necessary; yet many situations where social media contact is unwanted and risky. Coaches and athletes should be trusted, pursuant to Skate Canada Manitoba's *Code of Conduct and Ethics*, to navigate social media using their best judgment.
 - Clubs should monitor social media use by its athletes and coaches and should consider regular surveys and reviews to understand how coaches and athletes are using social media. Coaches and athletes may need to be reminded that behaviour in social media is still subject to Skate Canada Manitoba's *Code of Conduct and Ethics*.
 - Complaints and concerns about an athlete's or a coach's conduct or behaviour in social media can be addressed under Skate Canada Manitoba's *Discipline and Complaints Policy*.

[Duties of Officials](#)

Evaluators/Judges' Bureau Guidelines

Aim

- This policy is to clarify the role of the Skate Canada Manitoba (SCMB) Section
- Evaluator/Judges' Committee Chairperson and its officials (Evaluators, Judges, Technical Controllers, and Technical Specialists in all disciplines) the assigning and accepting competitions and test days both in Section and out of Section opportunities.

Introduction

- SCMB receives requests from other Sections for Officials to attend competitions or test days in their Section. As well, there are training opportunities in other Sections that members of our Section can attend. The purpose of this policy is to clarify the selection process for candidates for in and out of Section opportunities.

General Principles

- Continuing education is a requirement for all officials. There are a limited number of officials in the Section. In order to ensure sufficient officials at Section events, all requests must be channelled through the Officials committee. Due to the number and level of competitive skaters in our Section, opportunities for training of officials seeking promotion are often not sufficient in our home Section.
- In some cases, there are an insufficient number of skaters at a level to allow for adequate training/reports for officials seeking promotion. The SCMB Section Evaluator/Judges' Committee strives to be a transparent committee; this policy will put in writing practices that already exist within the section.

Procedure

Assessment Days

- All requests for evaluators at assessment days shall go through the committee. This will also apply to out of Section requests for evaluators.
- In the case of a school, the evaluator (as per Skate Canada rules) may be contacted directly; however, the evaluator is required to notify the committee of the request. To allow for development of evaluators and skaters, evaluators shall not (whenever possible) attend consecutive assessment days at the same club/school. It is the responsibility of the evaluator to inform the club of the proper procedure if they have been contacted directly or if they are being invited to consecutive assessment days. The Section office will also be advised of the assignments.

Selection of Technical Representatives/ Chief Referees

- As close to the posting of the season's competition schedule and the Skate Canada ACGM and before the September long weekend, the committee will send out notice to all officials requesting their availability. In early fall the committee will meet to assign Chief Referee and Technical Representatives based on availability and Section requirements. Invitations will be sent out to these officials to confirm acceptance of position. A list of interested officials will be sent to all respective Chief Referees or Technical Representatives 1 month before the first competition of the season. They will then contact the officials via email to confirm availability three weeks prior to the competition.

National Officials Exchange

- Officials Exchange is an opportunity for Sections to identify individuals in need of further training and place them on an invite list to larger competitions in other Sections. The Exchange is voluntary. The official's home Section is responsible for transportation to the competition and the competition's Section

is responsible for all costs once the official is on the ground. Prior to the Skate Canada ACGM, the Evaluator/Judges' committee will determine who requires further training out of section. A request will be sent out to all officials seeking their input. Priority will be given to those seeking a promotion. The committee cannot guarantee that all requests will be actioned. This is dependent on the requirements received from the other section.

Out of Section Requests

- All requests for out of Section assignments will go through the Section Evaluator/Judges' committee. (This does not include invitations by Skate Canada for Challenge, Canadians etc.). Should an official receive a request directly from someone other than the Section Evaluator/Judges' Committee, they shall direct the request to the committee.
- Requests will be handled as follows. Requests cannot conflict with a Section sponsored event or the Section AGM. The committee will determine the level of official required. All officials at that level or higher will be contacted via email and given a time limit to respond. If there are more officials than spots the committee will use the following process:
 - Who has not been to an event yet?
 - Who requires the opportunity for advancement?
 - Who requires the opportunity for continued skill training?
 - Who lives closest to the event? It may not be feasible to send someone from western MB to a test day/competition in northern ON or someone from eastern MB to a test day/competition in eastern Sask. (Common sense will prevail)
- Invitations will be sent to the officials – once confirmation has been received that the official is available for the competition, this information along with their contact information will be sent to the applicable Section for their considerations. The SC MB Section cannot guarantee that the official will be used by the other Section. The applicable Section will contact the official with details. The official will then let SCMB know of their selection.

Training Opportunities

- Officials are encouraged to forward their requests or intentions for training and out of Section opportunities to the Section as soon as possible. The Evaluator/Judges' Committee has limited funding available for training of Officials. The committee will endeavour to fund all reasonable requests for training. The official would be responsible for requesting this funding. If funding is not available, the official may choose to attend the training at their own cost. If officials choose this option, they are requested to inform the SCMB Section office as well as the Evaluator/Judges' Committee so that their files may be updated. Officials are encouraged to apply for funding that may be available through other channels or organizations such as Regional Sport Associations.
