20

How many Program Assistants (PA's)
did your Club/School have in each
Skate Canada Program: CanSkate:

12

How many hours of ice total do you
have per week (for all programs)

8

Approximately how many hours per
week do you offer CanSkate (example
enter 1 for sessions that are 45
minutes to a full hour)

1.5

Approximately how many hours per
week do you offer STARSkate
(including bridging and Competitive

5.5

Approximately how many hours per week do you offer Synchro	0.25
What is your CanSkate fee	\$ 150.00
How many sessions do participants receive for CanSkate	20
What type(s) of fundraising did you or are you running this season	Spent Pizza/gift cards and Sun Valley Co-op Gift Cards
Will there be many changes to your Board/Executive for next season? *	No, it is staying relatively the same
What was, or is, the date of your Ice Show or Carnival?	Monday, March 18, 2024
Did you host any additional opportunities for participants this season such as a SMB Performance Day, welcome guest skaters, offer a seminar or special team building day?	We had multiple guest coaches organized by our amazing Head Coach Kaitlyn Dyck.
Please provide your Club/School's Top Three Successes this season: *	This year we hosted Skate Manitoba Provincial Championships Presented by Access Credit union and it was a huge Success. Skaters from all over Manitoba gathered in our home town and we put on quite the show. We hosted a performance night in December and an Achievement night in March. The community came out and supported all of these events and we couldn't be more proud.
Please provide your Club/School's Top Three Challenges that you faced this season *	Hosting provincial is a huge task with a lot to get done. our volunteer base was very fatigued. When hosting a large event you can feel like the general operations of the club fall through the cracks and we had a few of those moments this year.

Club or Skating School Name *

Beausejour Skating Club

Name of person completing form

Pam Schirle

Role of person at the Club/School

Will there be many changes to your Board/Executive for next season? *	No, it is staying relatively the same
What was, or is, the date of your Ice Show or Carnival?	Thursday, March 14, 2024
Please provide your Club/School's Top Three Successes this season: *	1. CanSkate registrations were significantly up after moving to two 10 week sessions rather than a whole year and moving to a new time slot

2. Increased Star registrations

3. Adequate numbers for a full synchro team

Please provide your Club/School's Top Three Challenges that you faced this season *

1. Increasing fees including ice rental, coach mileage, and Skate Canada fees make it hard to keep program fees low enough to attract new skaters.

2. Skating session with Heather McMahon from Skate Canada was not a positive experience for our club and left board members, coaches, and PA's frustrated and discouraged.

3. Flexibility and creativity need to accommodate a growing number of skaters in the ice time we have. Competition for prime ice time with hockey programming.

What was, or is, the date of your Ice Show or Carnival?	Wednesday, March 20, 2024
Did you host any additional opportunities for participants this season such as a SMB Performance Day, welcome guest skaters, offer a seminar or special team building day?	Yes
Please provide your Club/School's Top Three Successes this season: *	1. Revitalizing Synchro within our Club!!! 2. Growing our Club numbers to the highest we have seen in many years!! 3. Purchasing Synthetic Ice Panels to be able to start programming in the fall before the middle-end of October!
Please provide your Club/School's Top Three Challenges that you faced this season *	1. Having to wait too long for competition schedules and skate orders to be posted. Hard to organize multiple skaters and events. Most parents like to know/plan when and where they have to be more than a few days ahead of time. 2. Working with a CanSkate Coach that had a difficult attitude. 3. Realizing that our program was not meeting some of the CanSkate Program Delivery Standards

Will there be many changes to your Board/Executive for next season? *	No, it is staying relatively the same
What was, or is, the date of your Ice Show or Carnival?	Sunday, March 17, 2024

Did you host any additional opportunities for participants this season such as a SMB Performance Day, welcome guest skaters, offer a seminar or special team building day?

We did a solonight/performance day in December for our star skaters

Please provide your Club/School's Top Three Successes this season: *

1. We brought back our pre canskate program and it was a very popular program.
2. We offered a powerskate program for the first time. It was successful but we did have challenges with it.
3. Our star 1-2 program numbers increased from last season

Please provide your Club/School's Top Three Challenges that you faced this season *

1. Communication between coaches, parents and board members. It's absolutely getting better but there is still room for improvement.
 2. Attracting new members to sit on the board
 3. Getting people to volunteer to help our program as a whole, run smoothly.

Will there be many changes to your Board/Executive for next season? *	Yes, a few new people are joining in key roles
What was, or is, the date of your Ice Show or Carnival?	Friday, March 8, 2024
Please provide your Club/School's Top Three Successes this season: *	<p>We were able to run our programs</p> <p>We had some additional skaters move up to Star Skate</p>
Please provide your Club/School's Top Three Challenges that you faced this season *	<p>Small numbers – we compete with our minor hockey association for learn to skate students as they offer their first year of hockey at a cost of \$50. We are not able to compete with that so we loose participants.</p> <p>Fees are a challenge when numbers are low – doing our best to supplement costs so we don't lose families.</p> <p>Finding people to help – going to try a different approach next year, smaller jobs, less commitment for people.</p>
