

Skate Manitoba Coach Accreditation

It is the responsibility of the coach(es) to ensure that they meet the requirements to be able to attend a competition with their athlete(s). Please see below for important information surrounding certification requirements, requesting special permission, and accreditation at the event.

Please note that any coach who is not in good standing with Skate Canada will not be issued accreditation to an event.

Qualifying Events

Coaches wishing to be accredited to be board side with their skater(s) and/or team(s) at a Qualifying Event must be certified in the required pathway to attend. Qualifying events in the Manitoba Section currently include Sectionals and Prairie Regionals, as well as multi-sport games such as Canada Games.

Please see [Skate Canada's Accreditation Matrix](#) for more information.

Special Permission may be requested from the Section Course Administrator (skate.exec@sportmanitoba.ca) and will only be considered if the requesting coach is currently in the certification pathway required (ie having an Trained status). Once special permission is granted it is valid for that season only and cannot be requested again for that certification level

Non-Qualifying Events in Manitoba Section

Coaches wishing to be accredited to be board side with their skater(s) and/or team(s) at a Non-Qualifying Event within the Manitoba Section must be in the coaching pathway of the required certification level to attend. Non-Qualifying Events include Fall Open, Gordon Linney Open, Winter Blast Provincial Championships and Fun Skates.
