Briefly describe why you would like to join our Board of Directors:

I have been working with this board for 3 years now and feel that I am in a good spot to continue the work that we have started.

What current organizational affiliations do you have (names of the organization) and your role on them:

1. Morden Figure Skating Club- Assessment Chair
2. Morden Figure Skating Club- Coach
3. Pembina Pizazz- Manager & Athlete
4. Skate Manitoba- Board of Directors
5. Manitoba Dressage Club - Member

What would you like to gain for yourself from participation on the Board, e.g., what types of experiences, skills to develop, interests to cultivate etc.

I would hope to continue to grow my understanding of all aspects of the skating community and to support the visions and plans as they unfold in real time.
