"Organization" refers to: Skate Manitoba

Definitions

1. The following terms have these meanings in this Policy:
    a. "*Conflict of Interest*" – Any situation in which a Representative's decision-making, which should always be in the best interests of the Organization, is influenced or could be influenced by personal, family, financial, business, or other private interests
    b. "*Pecuniary Interest*" - An interest that an individual may have in a matter because of the reasonable likelihood or expectation of financial gain or loss for that individual, or another person with whom that individual is associated
    c. "*Non-Pecuniary Interest*" - An interest that an individual may have in a matter which may involve family relationships, friendships, volunteer positions or other interests that do not involve the potential for financial gain or loss
    d. "*Representatives"* – Individuals employed by, or engaged in activities on behalf of, the Organization including: coaches, staff members, convenors, contract personnel, volunteers, managers, administrators, committee members, and Directors and Officers of the Organization

Background

2. Individuals who act on behalf of an organization have a duty first to that organization and second to any personal stake they have in the operations of the Organization. For example, in not-for-profit organizations, Directors are required, by law, to act as a trustee (in good faith, or in trust) of the Organization. Directors, and other stakeholders, must not put themselves in positions where making a decision on behalf of the Organization is connected to their own personal interests. That would be a conflict of interest situation.

Purpose

3. The Organization strives to reduce and eliminate nearly all instances of conflict of interest at the Organization – by being aware, prudent, and forthcoming about the potential conflicts. This Policy describes how Representatives will conduct themselves in matters relating to conflict of interest, and will clarify how Representatives shall make decisions in situations where conflict of interest may exist.

4. This Policy applies to all Representatives.

Obligations

5. Any real or perceived conflict of interest, whether pecuniary or non-pecuniary, between a Representative's personal interest and the interests of the Organization, shall always be resolved in favour of the Organization.

6. Representatives will not:
    a. Engage in any business or transaction, or have a financial or other personal interest, that is incompatible with their official duties with the Organization, unless such business, transaction, or other interest is properly disclosed to the Organization and approved by the Organization
    b. Knowingly place themselves in a position where they are under obligation to any person who might benefit from special consideration or who might seek preferential treatment
    c. In the performance of their official duties, give preferential treatment to family members, friends, colleagues, or organizations in which their family members, friends, or colleagues have an interest, financial or otherwise
    d. Derive personal benefit from information that they have acquired during the course of fulfilling their official duties with the Organization, if such information is confidential or not generally available to the public
    e. Engage in any outside work, activity, or business or professional undertaking that conflicts or appears to conflict with their official duties as a representative of the Organization, or in which they have an advantage or appear to have an advantage on the basis of their association with the Organization
    f. Without the permission of the Organization, use the Organization's property, equipment, supplies, or services for activities not associated with the performance of their official duties with the Organization

g. Place themselves in positions where they could, by virtue of being an Organization Representative, influence decisions or contracts from which they could derive any direct or indirect benefit

h. Accept any gift or favour that could be construed as being given in anticipation of, or in recognition for, any special consideration granted by virtue of being an Organization Representative

Disclosure of Conflict of Interest

7. On an annual basis, all the Organization's Directors and candidates for election to the Board, Directors, Officers, Employees, and Committee Members will complete a **Declaration Form** disclosing any real or perceived conflicts that they might have. Declaration Forms shall be retained by the Organization.

8. Immediately upon becoming aware that a conflict of interest may exist, all Representatives must disclose any real or perceived conflict of interest as follows:
    a. Directors, Officers, Committee Members, candidates for election to the Board, and the senior staff person (when employed) must disclose real and perceived conflicts of interest to the Board
    b. Employees must disclose real and perceived conflicts of interest to the senior staff person or, in the absence of a senior staff person position, to the Board
    c. Coaches, volunteers, managers, and other Representatives must disclose real and perceived conflicts of interest to their immediate supervisor (e.g., team manager, staff person, other volunteer, etc., as applicable)

9. Representatives shall also disclose any and all affiliations with any and all other organizations involved with the same sport. These affiliations include any of the following roles: athlete, coach, manager, official, employee, volunteer, or Director.

Minimizing Conflicts of Interest in Decision-Making

10. Decisions or transactions that involve a conflict of interest that has been proactively disclosed by an Organization Representative will be considered and decided with the following additional provisions:
    a. The nature and extent of the Representative's interest has been fully disclosed to the body that is considering or making the decision, and this disclosure is recorded or noted
    b. The Representative does not participate in discussion on the matter
    c. The Representative abstains from voting on the decision
    d. For board-level decisions, the Representative does not count toward quorum
    e. The decision is confirmed to be in the best interests of the Organization

11. For potential conflicts of interest involving employees, the Organization's Board will determine whether there is a conflict and, if one exists, the employee will resolve the conflict by ceasing the activity giving rise to the conflict. The Organization will not restrict employees from accepting other employment contracts or volunteer appointments provided these activities do not diminish the employee's ability to perform the work described in the employee's job agreement with the Organization or give rise to a conflict of interest.

Conflict of Interest Complaints

12. Any person who believes that a Representative may be in a conflict of interest situation should report the matter, in writing (or verbally if during a meeting of the Board or any committee), to the Organization's Board who will decide appropriate measures to eliminate the conflict. The Board may apply the following actions singly or in combination for real or perceived conflicts of interest, if conflict is determined:

a. Removal or temporary suspension of certain responsibilities or decision-making authority
b. Removal or temporary suspension from a designated position
c. Removal or temporary suspension from certain teams, events and/or activities
d. Expulsion from the Organization
e. Other actions as may be considered appropriate for the real or perceived conflict of interest

13. Any person who believes that a Representative has made a decision that was influenced by real or perceived conflict of interest may submit a complaint, in writing, to the Organization to be addressed under the Organization's *Discipline and Complaints Policy*.

14. Failure to comply with an action as determined by the Board will result in automatic suspension from the Organization until compliance occurs.

15. The Board may determine that an alleged real or perceived conflict of interest is of such seriousness as to warrant suspension of designated activities pending a meeting and a decision of the Board.

Conflict of Interest Form

I have read the Organization's *Conflict of Interest Policy*, I agree to be bound by the obligations contained therein, and I commit to avoid any real or perceived conflict of interest. I also commit to disclosing the existence of any real or perceived conflict of interest to the Board, as soon as it is known to me.

I declare the following interests which may represent a potential conflicting interest:

Investigation

16. If the Compliance Officer determines that an investigation should be launched, the Compliance Officer may decide to contract an external investigator. In such cases, the Chairperson and/or senior staff person may be notified that an investigation conducted by an external investigator is necessary without the nature of the investigation, content of the report, or identity of the Worker who submitted the Report being disclosed. The Chairperson and/or senior staff person may not unreasonably refuse the decision to contract an external investigator.

17. An investigation launched by the Compliance Officer or by an external investigator should generally take the following form:

Decision

19. Within fourteen (14) days after receiving the Investigator's Report, the Chairperson and/or senior staff person will take corrective action, as required. Corrective action may include, but is not limited to including:

a. Enacting and/or enforcing policies and procedures aimed at eliminating the wrongdoing or further opportunities for wrongdoing;
b. Revision of job descriptions; or
c. Discipline, suspension, termination, or other action as permitted by the By-laws, provincial employment legislation, applicable policies for human resources, and/or the Worker's Employment Agreement or Contractor Agreement.

20. The corrective action, if any, will be communicated to the investigator who will then inform the Worker who submitted the report.

21. Decisions made under the terms of this Policy may be appealed under the terms of the *Appeal Policy* provided that:
    a. If the Worker who submitted the initial report is appealing the decision, the Worker understands that their identity must be revealed if they submit an appeal, and
    b. If the Director or Worker against whom the initial report was submitted is appealing the decision, the Worker or Director understands that the identity of the Worker who submitted the report will not be revealed and that the Organization will act as the Respondent

Confidentiality

22. Confidentiality at all stages of the procedures outlined in this Policy – from the initial report to the final decision – is assured for all individuals (the Worker, the Worker(s), or Director(s) against whom the report is submitted, and the individuals interviewed during the investigation). An individual who intentionally breaches the confidentiality clause of this Policy will be subject to disciplinary action.

23. In all stages of the investigation, the investigator will take every precaution to protect the identity of the Worker who submitted the report and/or the specific nature of the report itself. However, the Organization recognizes that there are some instances where the nature of the report and/or the identity of the Worker who submitted the report will or may be inadvertently deduced by individuals participating in the investigation.

In his or her absence, the Chair is responsible for ensuring that an appropriate record of the discussion is kept.

B.111 ATHLETES COACHES OFFICIALS; OUT OF PROVINCE ASSIGNMENT POLICY
EFFECTIVE DATE:

APPROVED DATE:

REVISED DATE: MAY 9, 2020 – SCMB AGM

References Code of Ethics
Duties of Officials
Evaluators/Judges' Bureau Guidelines

Aim

- This policy is to clarify the role of the Skate Canada Manitoba (SCMB) Section

- Evaluator/Judges' Committee Chairperson and its officials (Evaluators, Judges, Technical Controllers, and Technical Specialists in all disciplines) the assigning and accepting competitions and test days both in Section and out of Section opportunities.

Introduction

- SCMB receives requests from other Sections for Officials to attend competitions or test days in their Section. As well, there are training opportunities in other Sections that members of our Section can attend. The purpose of this policy is to clarify the selection process for candidates for in and out of Section opportunities.

General Principles

- Continuing education is a requirement for all officials. There are a limited number of officials in the Section. In order to ensure sufficient officials at Section events, all requests must be channelled through the Officials committee. Due to the number and level of competitive skaters in our Section, opportunities for training of officials seeking promotion are often not sufficient in our home Section.

- In some cases, there are an insufficient number of skaters at a level to allow for adequate training/reports for officials seeking promotion. The SCMB Section Evaluator/Judges' Committee strives to be a transparent committee; this policy will put in writing practices that already exist within the section.

Procedure

Assessment Days

- All requests for evaluators at assessment days shall go through the committee. This will also apply to out of Section requests for evaluators.

- In the case of a school, the evaluator (as per Skate Canada rules) may be contacted directly; however, the evaluator is required to notify the committee of the request. To allow for development of evaluators and skaters, evaluators shall not (whenever possible) attend consecutive assessment days at the same club/school. It is the responsibility of the evaluator to inform the club of the proper procedure if they have been contacted directly or if they are being invited to consecutive assessment days. The Section office will also be advised of the assignments.

Selection of Technical Representatives/ Chief Referees

- As close to the posting of the season's competition schedule and the Skate Canada ACGM and before the September long weekend, the committee will send out notice to all officials requesting their availability. In early fall the committee will meet to assign Chief Referee and Technical Representatives based on availability and Section requirements. Invitations will be sent out to these officials to confirm acceptance

of position. A list of interested officials will be sent to all respective Chief Referees or Technical Representatives 1 month before the first competition of the season. They will then contact the officials via email to confirm availability three weeks prior to the competition.

National Officials Exchange

- Officials Exchange is an opportunity for Sections to identify individuals in need of further training and place them on an invite list to larger competitions in other Sections. The Exchange is voluntary. The official's home Section is responsible for transportation to the competition and the competition's Section is responsible for all costs once the official is on the ground. Prior to the Skate Canada ACGM, the Evaluator/Judges' committee will determine who requires further training out of section. A request will be sent out to all officials seeking their input. Priority will be given to those seeking a promotion. The committee cannot guarantee that all requests will be actioned. This is dependent on the requirements received from the other section.

Out of Section Requests

- All requests for out of Section assignments will go through the Section Evaluator/Judges' committee. (This does not include invitations by Skate Canada for Challenge, Canadians etc.). Should an official receive a request directly from someone other than the Section Evaluator/Judges' Committee, they shall direct the request to the committee.

- Requests will be handled as follows. Requests cannot conflict with a Section sponsored event or the Section AGM. The committee will determine the level of official required. All officials at that level or higher will be contacted via email and given a time limit to respond. If there are more officials than spots the committee will use the following process:
    - Who has not been to an event yet?
    - Who requires the opportunity for advancement?
    - Who requires the opportunity for continued skill training?
    - Who lives closest to the event? It may not be feasible to send someone from western MB to a test day/competition in northern ON or someone from eastern MB to a test day/competition in eastern Sask. (Common sense will prevail)

- Invitations will be sent to the officials – once confirmation has been received that the official is available for the competition, this information along with their contact information will be sent to the applicable Section for their considerations. The SC MB Section cannot guarantee that the official will be used by the other Section. The applicable Section will contact the official with details. The official will then let SCMB know of their selection.

Training Opportunities

- Officials are encouraged to forward their requests or intentions for training and out of Section opportunities to the Section as soon as possible. The Evaluator/Judges' Committee has limited funding available for training of Officials. The committee will endeavour to fund all reasonable requests for training. The official would be responsible for requesting this funding. If funding is not available, the official may choose to attend the training at their own cost. If officials choose this option, they are requested to inform the SCMB Section office as well as the Evaluator/Judges' Committee so that their files may be updated. Officials are encouraged to apply for funding that may be available through other channels or organizations such as Regional Sport Associations.
